

Dementia Experience

Join us for a walk in the shoes of someone with dementia

This event is available at no cost for family and friends of anyone with Alzheimer's disease or a related dementia.

This interactive session allows participants to step into the shoes of someone with dementia to experience the challenges that are faced when attempting to carry out every day simple tasks.

What others have said about this session....

"This was very humbling, such an eye opener"

"I felt vulnerable, alone and helpless... this will affect how I care for my mother"

"I have a better understanding ...the difficulties they experience everyday"

Please note that this session is not intended for the individual with Alzheimer's disease or a related dementia.
